- Any 300 level or above Bisc course
- Any 300 level or above Psy course
- Any 300 level or above ES course

The University of Mississippi is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award certificates and baccalaureate, master's, specialist, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097, call 404-679-4500, or visit online at www.sacscoc.org for questions about the accreditation.

### Additional Requirements:

- Psy 201: General Psychology
- Psy 301: Developmental Psychology or 311: Abnormal Psychology or NHM 323: Human Growth and Development

# Emphasis - Health Informatics & Inf Mgmt

Health informatics and information management professionals are experts in managing the collection, storage, retrieval, analysis, and interpretation of health care data and information. To provide the highest quality health care delivery, health care information is used not only for patient care, but also for medical legal issues, reimbursement, research, planning, and evaluation.

### **Course Requirements**

- Csci 103 or 191. Survey of Computing or Office Applications
- Bisc 206. Anatomy and Physiology I
- Bisc 207. Anatomy and Physiology II
- Writ 310. Writing in Professional Contexts

### **Degree Requirements**

The academic regulations for this degree program, as entered in the University of Mississippi Catalog, are in effect for the current or selected academic year and semester. The University of Mississippi reserves the right to 1) change or withdraw courses; 2) change rules for registration, instruction, and graduation; and 3) change other regulations affecting the student body at any time.
