Specialization - Public Relations

B.A.J. in Journalism

Description
The digital media landscape is ripe with opportunity, and the Bachelor of Arts in Journalism immerses students in the breadth of digital knowledge to prepare them for new and emerging journalism and media roles. The program provides a solid foundation for those interested in video or multimedia storytelling, reporting for digital, broadcast or print news organizations, sports journalism, or magazine media. The emphasis of the major is on strategic and problem-solving skills that will serve graduates throughout their digital media careers.

Students seeking the B.A.J. will complete a core of six fundamentals classes that focus on delivering experiential learning opportunities, which will enable students to choose an area of emphasis that's right for them. Emphases include TV and video storytelling, multimedia news reporting, visual journalism, and social justice and political reporting.
