PROFESSIONAL WRITING MINOR

Description

The minor in professional writing prepares students to become effective written, spoken, visual, and electronic communicators in a variety of digital, disciplinary, and workplace environments. Students choose their emphases in many classroom projects to complement and extend the knowledge acquired in any major and meet their intended career goals. Special emphasis is given to navigating the terrain of electronic writing environments and social media through portfolio projects and allowing students to develop reflective practices to direct their learning beyond the academy.
