THE UNIVERSITY OF MISSISSIPPI

SOCIAL WORK MINOR

Description

The Minor in Social Work will provide students outside the social work major with theoretical, professional and practical knowledge of the helping profession. Particular emphasis will be placed on developing the student's understanding of the ethics, values, history, and theoretical perspectives which undergird the discipline of social work. Students who complete the minor in social work will develop competencies in engaging individuals, families, and systems with diverse backgrounds and needs; reflecting the core values and ethical principles of the discipline of social work.
